Dr. Gasser and Professor Williams,

This is my third and last attempt to obtain a Completion of Procedures Letter from Oxford. Failure to issue this letter by Monday will be regarded as further evidence of obstruction of justice and breach of due process on your part. Should you refuse to issue a Completion of Procedures Letter by Monday, I will submit my complaint to the Office of the Independent Adjudicator without it.

Sincerely,

Kevin Galalae

Dear Dr. Gasser and Professor Williams,

The request for a Completion of Procedures Letter I made on the 21st of January has remained unanswered. I therefore reiterate my request and remind you that without it I cannot take my case to the Office of the Independent Adjudicator.

Could you please give this matter your immediate attention!

Sincerely,

Kevin Galalae

Dear Dr. Gasser and Professor Williams,

Since it appears that Oxford has had its last word on my case, I am asking that the university releases a Completion of Procedures Letter (see enclosed file) so that I may take my case to the Office of the Independent Adjudicator.

I would appreciate your speedy reply to this request.

Sincerely,

Kevin Galalae
